## **Didim salvation with prescription**

Be effective in almost all regions of the world to get rid of the economic crisis, with new projects to generate tourism in Didim, the way to get rid of the crisis through the promotion of which made.

Global economic crisis under the impact of the survival struggle is not with explaining Didim tourism Hikmet Atilla, "are affected by this crisis in Didim. In countries like the Netherlands and Switzerland in the exhibition a tour operator, aircraft companies ever learned to deal with. That's why we can not see the front of anyone. The effects of the crisis within the country is. However the most active sector of the tourism industry. Action plan to bring to Didim. This also happens with the promotion. Didim not create their own competition. Is very incomplete since the introduction of Detection, "he said.

In 1991, the first in Didim expressed interest in the tourism brochures Atilla, "About Town luxury hotels do not have many hotels, but have little capacity. They should come into boutique hotels. Thus, more expensive and offer our facilities and our potential is available. Retired people in Europe that the preference for boutique hotels in general use since. After evaluation of the favorable environment in Didim with overseas tour operators to go to health institutions and similar institutions to promote our county and our county can be pensioners.

Beyond that, there was relief in the past, but now people all be due to the crisis environment. Our District has a lot of them the second housing has to be opened to tourism. Separated by political and economic reasons that the people we've meet in Didim. Family is the long duration of the holiday must be used that advantage, "he spoke.

Institutional and civil organizations for tourism promotion record is missing Atilla, said: "Didim and the British discovered the potential of the first British operator has occurred. The British are coming, however, deal not so wrong. U.S. Civil Society Organizations and Professional Organizations County between no union. Kusadasi, Bodrum and Antalya, the Governor has joined with the Governor. Our goal is to broaden Didim market. We will act together with environmental district. This task would suitor. As chambers of commerce not only select the, tourism associations and other institutions with the District will move. We could not see much interest as to our individual efforts. eight of the sector institutions will stir. Didim to lobby to create their own"
